This all new fourth edition is the most comprehensive yet easy to use guidebook ever written for the Big Island. Best selling author, Andrew Doughty, unlocks the secrets of an island so big and diverse that many visitors never realize all that it has to offer. Hawaii The Big Island Revealed has more up to date information, the most useful maps and scores of hidden gems listed nowhere else. This book and a rental car are all you need to discover what makes the Big Island so exciting. 39 specially created maps include clear, concise directions to even the most remote beaches and other hard to find places, mile markers (so you always know where you are), hiking trails and numerous details in an easy to follow format. Discover deserted black sand beaches, secluded freshwater lava pools (some volcanically heated), pristine rain forests, lava tubes, hidden waterfalls and the most dramatic part of the erupting volcano. Read fascinating stories and legends from all around the island. Symbols quickly identify recommended sights and companies. Find out which companies really are the best and which to avoid. Frank, honest opinions from anonymous reviews. No advertisements. Special expanded sections on Beaches, Hiking and Adventures. Web site with links to every business, last minute updates and more. Plus Web pages that expand on all accommodation reviews with aerial photos of all the resorts (so you'll know if oceanfront really means oceanfront). Only book ever banned at Hawaii Volcanoes National Park Visitor Center for being "too honest" and "revealing too much." "Hawaii The Big Island Revealed" covers it all from the snow-covered top of Mauna Kea, to the sparkling underwater reefs. This is the best investment you can make for your Big Island trip. Whether you are a first time visitor, or a long time kamaaina, you will find out more about the Big Island from this book than from any other source. Discover the island of your dreams with "Hawaii The Big Island Revealed."
